

spedschools.com Copyright Statement

The Massachusetts Association of 766 Approved Private Schools (**maaps**) is glad to grant permission to use or reprint copyrighted materials when it has the authors' licenses to do so. In some cases, a fee may be charged.

However, before you use any or any part of these materials, you must obtain the necessary permissions.

The procedure for requesting permission to use or reprint materials is not cumbersome (see below), and **maaps** staff makes every effort to respond in a manner that is timely and accommodating of special circumstances. Still, to plan ahead and avoid last-minute emergencies that it might not be possible to accommodate, allow approximately **10 working days** for processing the request.
